PRESENTED BY

Jaquar Group is a rapidly growing multi-diversified

'Complete Bathroom & Lighting Solutions' Group.

Jaquar's vision is to be the brand that inspires people worldwide to rediscover the joys of water and light.

REINVENTING BATHROOMS

A Journey to Extraordinary Everyday Living

CRAFTING BATHROOM EXPERIENCES

In a world where daily life can often feel routine, Jaquar is sparking a revolution that begins in one of the most intimate spaces of your home – the bathroom. We are not just reimagining this essential room; we are redefining how you perceive it.

Jaquar's vision extends far beyond individual fixtures or stand-alone products. We are committed to crafting bathroom experiences that seamlessly integrate into your daily life, making your daily rituals unforgettable moments of joy. It's about bringing the bathroom to life in ways you've never imagined.

**When you daydream
about your perfect
bathroom, what's it like?**

And more importantly,
how does it make you
feel? Check out Jaquar's
newest designs, and let
them help you figure it out
– **your way** .

Next level bathroom experience

JAQUAR'S HOLISTIC APPROACH TO BATHROOM DESIGN

Collaborating with international designers, Jaquar is elevating the bathroom experience to an entirely new level of excitement. Their approach transforms bathrooms into holistic environments, seamlessly adapting to your style, dreams, and needs. Each bathroom becomes a unique reflection of your personality, where design and comfort unite with endless personalization possibilities. It's about every element coming together harmoniously to fit your daily life and create incomparable water experiences that make you feel truly alive.

REDISCOVER THE JOY OF WATER

For Jaquar, a bathroom isn't merely a collection of furniture, tiles, and faucets. It's a space that, when conceived holistically, enriches your life with emotions and extraordinary moments. It's where you feel special every day, where you can express yourself and experience the beauty of water with all your senses.

Imagine your dream bathroom as a place where families create unforgettable memories, where kids have fun with water, and couples fall in love. Picture happiness, style, comfort, well-being, and sensuality all coming together in a single place - your place. Jaquar is redefining bathrooms, transforming them from single installations into inspiring, complete environments. They're turning bath fixtures into experiences.

By breaking free from tradition and redefining convenience, Jaquar wants you to discover the joy and pleasure of humanity, the beauty of water, and the value of your individual space like never before. Your bathroom, once just a functional space, becomes a haven of inspiration, oation, and pure enjoyment. Welcome to the future of bathroom design, brought to you by Jaquar.

We inspire people globally

BATH + LIGHT

Established in New Delhi in 1960, Jaquar Group has evolved into a dynamic and rapidly growing 'Complete Bathroom & Lighting Solutions' conglomerate. With a vision to inspire people globally to rediscover the joys of water and light, Jaquar has become a leading force in the industry. The group boasts eight state-of-the-art manufacturing units, a testament to its commitment to quality and innovation.

Operating in 55 countries, Jaquar has a significant international presence and has employed over 12,000 individuals. Annually, the group produces an impressive 45.9 million bath fittings, 4.2 million sanitaryware pieces, and 24.6 million lighting products, solidifying its position as a major player in the global market. The Jaquar Group's unwavering dedication to excellence has firmly positioned it as a trusted name in the world of bathroom and lighting solutions.

Over 60 YEARS OF EXCELLENCE

THE MAKING OF A GLOBAL POWERHOUSE

HISTORY

THE BRAND

Jaquar is one of the fastest growing bathroom brands in the world, having over 65 years of manufacturing prowess and presence in over 55 countries across Europe, Middle East, Asia- Pacific and Africa.

MARKET LEADERS

A global Superbrand, its Complete Bathroom Solutions include a wide range of products with beautifully designed aesthetics to make the bathroom a relaxing, refreshing, joyful space. In lighting too, the brand offers Complete LED Lighting Solutions - for residential, commercial and outdoor use. Designed to be compatible with, and complement every interior and exterior design aesthetic or decor.

MANUFACTURERS SINCE 1960

In line with the mission to deliver unparalleled bathroom products, the Jaquar Group has 8 state-of-the-art manufacturing facilities spread over 330,000 sq. m, equipped with modern machines and processes. Currently, the Group delivers over 3.3 million bathrooms every year and produces over 45.9 million bath fittings annually. Over 24.6 million lighting products annually.

Headquartered in the National Capital Region of India, in one-of-a-kind eco-friendly "Net Positive Building" spread over a sprawling space of over 48,000 sq. m. that's been awarded the LEED Platinum Certified rating from the United States Green Building Council (USGBC), the highest level of green building certification awarded to a building.

COMPLETE

Bathroom Solutions

We provide a comprehensive range of high-quality products and services for a modern, convenient, and luxurious bathroom experience.

TOTAL BATHROOM

Jaquar stands as a paragon of excellence in the bathroomware industry, offering an unparalleled ability to deliver complete bathroom solutions that redefine luxury and convenience. With a comprehensive range of high-quality products and services, Jaquar transforms bathrooms into havens of modern sophistication. From meticulously crafted brassware to exquisite ceramic sanitaryware and cutting-edge wellness products, Jaquar covers every facet of bath interior fittings. What sets Jaquar apart is its commitment to manufacturing all these components in-house, ensuring a seamless integration of design, functionality, and durability. The result is a harmonious symphony of elegance and innovation that caters to the diverse needs and preferences of customers worldwide. Jaquar's dedication to providing a holistic and curated bathroom experience reinforces its position as a trailblazer in the industry, setting new standards for opulence and comfort.

About Jaquar

WE MAKE EVERYTHING YOU NEED

FAUCETS

Our faucets allow you to design bathrooms that are the tailored expressions of your personal style. It's simply a matter of settling on a design and finish that's right for you and choosing the components you'll need.

SANITARYWARE

Simplicity, beauty, comfort, and efficiency define our ceramic sanitaryware. Earth-friendly materials and streamlined design are at the core of everything we create.

SHOWERS

Experience a shower revolution with Jaquar! Our showers, crafted for precision and consistent water distribution are designed to match your mood, ensuring an ultimate experience every time.

ACCESSORIES

When it comes to designing the perfect bathroom, there's more to consider than just the fixtures and fittings. Jaquar bathroom accessories play a crucial role in completing the overall look and feel of the space.

WELLNESS

Transform your bathing space into a haven of relaxation and rejuvenation. Whether you are remodeling a new master suite or designing a cool hotel room, we can assist in finding the perfect wellness products to make your space both luxurious and comforting.

FLUSHING SYSTEMS

Our flushing systems seamlessly blend technology and aesthetics, offering an unparalleled combination of efficiency and style.

HOT WATER SOLUTIONS

Our water heaters are designed with energy-features that can help reduce energy consumption and utility bills.

CERTIFICATIONS

TRUSTWORTHY QUALITY

Our in-house R&D and testing laboratories comprehensively analyse each functional aspect of every product to ensure absolute quality. The result? Products that conform to not only the highest global standards, but are also capable of withstanding the rigours of tough usage conditions.

ZNAK - B

ZNAK-B is a collective guarantee trademark. All the products with the ZNAK-B mark are safe, up-to-date, and environment-friendly.

The Saudi Arabian Standards Organization (SASO) certificate is necessary to clear customs when exporting to Saudi Arabia. SASO CoC (Saudi Arabia certificate of Conformity) certifies that the goods have been tested and inspected to meet the needs of the SASO standards.

IKRAM QA

IKRAM QA's Product Certification Scheme is based on the International Standard ISO/IEC 17065 for the testing of products and assessment of the quality system involving surveillance of the quality system.

With a DVGW (German Technical and Scientific Association for Gas and Water) certificate, product manufacturers, specialist companies, utilities, and experts can demonstrate to their customers and market partners that they comply with the state-of-the-art in their field of activities.

ISO 9001:2015
TISI

TISI certificate is a quality certificate of goods issued by the Thai Industrial Standards Institute, which confirms that the products meet the regulated quality & safety standards.

PZH certificates from the National Institute of Hygiene in Poland confirm that the products are safe for human health and environmentally friendly.

ESMA

Emirates Authority for Standardization & Metrology (ESMA) is a great organization which maintains overall production industry and manages their productivity under a standard which keeps its quality, price value and demand in the market always on top.

The Water Regulations Approval Scheme is an independent UK certification body for plumbing products and materials, helping businesses and consumers choose compliant products that keep water safe, clean, and efficient.

The Mandatory Water Efficiency Labeling Scheme (WELS) is a product certification scheme by the Public Utilities Board (PUB). Under this scheme, the certified products are classified as water-efficient.

ISO 9001 is the internationally recognized standard for Quality Management System (QMS). Organizations use the certification to demonstrate their effective processes and effective people to deliver an effective product or service time after time.

The SABS product certification scheme for South Africa aims to guarantee the products' quality, safety, and reliability to the consumer. The presence of the SABS certification mark known as the SABS Mark on a product is an assurance of conformity to the specifications.

KC certification, or Korea Certification, is a product certification that ensures the conformity of products to Korean safety standards.

KIWA certificates and reports offer reliable, impartial, objective and internationally recognized evidence that an organization complies with all quality norms as per the European laws and regulations.

CE marking is a certification mark that indicates conformity with health, safety, and environmental protection standards for products sold within the European Economic Area (EEA).

SONCAP Certificate (SC) is a mandatory document used by the Nigerian Customs Services for clearance of goods going to Nigeria.

PRODUCT DESIGN AWARDS

Jaquar group products are conceived by internationally acclaimed designers and made to lead the evolution of bathrooms from functional rooms to inspiring spaces.

reddot award

GLOBAL APPEAL

Jaquar's approach to design, drawing from classical, modern, contemporary and fusion styles, has resulted in many recognitions, including the prestigious Red Dot and IF Design Awards, among others, which illustrate the global appeal of our portfolio.

Interestingly, Jaquar Group is the very first Indian company to ever win the prestigious RedDot Design Award for outstanding industrial design.

Jaquar's Innovation Excellence

DESIGNERS

MATTEO THUN & ANTONIO RODRIGUEZ

Our international team of industrial designers boasts a wealth of expertise, consistently delivering superior quality products that surpass industry standards. With diverse backgrounds and experiences, our designers bring a blend of creativity, innovation, and technical proficiency to every project.

DANELONMERONI

MICHAEL FOLEY

PARICHAY MEHRA

LISA BOSI

A RESPONSIBLE COMPANY

TOGETHER FOR THE FUTURE

SUSTAINABILITY

As a global brand in the bathroom and lighting categories, eco-consciousness is a major driver of Jaquar's operational ethos.

NATURE FIRST

From the choices we make during product design, to their production at a large scale, and even how our corporate offices function, being responsible towards the conservation of natural resources, and operating sustainably, is a key aim. And one that we are constantly working towards and progressing on.

GLOBAL PRESENCE

What makes Jaquar the preferred choice?

A robust partnership lays the groundwork for realizing your vision.

Bathroomware distributors seeking a reliable and comprehensive brand should unequivocally choose Jaquar as their reference and preferred supplier for complete bathroom solutions. Jaquar has earned a distinguished reputation in the market for its unwavering commitment to quality, innovation, and sustainability. The brand's extensive range of bathroom products, including faucets, sanitaryware, showers, and accessories, is crafted with precision and designed to meet diverse customer preferences.

Jaquar's commitment to innovation is reflected in its cutting-edge designs, utilizing advanced technologies to enhance user experiences. The brand's products boast durability, functionality, and aesthetic appeal, ensuring customer satisfaction and loyalty. Jaquar's extensive portfolio not only caters to a wide range of styles but also encompasses solutions for both residential and commercial spaces.

One of Jaquar's standout features is its commitment to sustainability. The brand's eco-friendly initiatives, evident in their manufacturing units and corporate offices, align with the growing global emphasis on environmental responsibility. This commitment is a valuable asset for distributors looking to align their business with ethical and sustainable practices.

Moreover, Jaquar's emphasis on customer support and after-sales service further distinguishes it in the market. The brand's dedication to customer satisfaction extends beyond the product purchase, offering peace of mind to distributors and end-users alike.

And, we are truly global!
